Q2) Schedule a refresh at 9:00 am IST daily frequency () Submit the screenshots of the scheduled refresh after publishing into Power BI Service).

Parameters

Refresh

Time zone

① Time zone configuration is applied not only to determine the schedule refresh time but also to establish the current date and time for incremental refresh models during on-demand and API refreshes. [Learn more](#)

(UTC+05:30) Chennai, Kolkata, Mum ▾

Configure a refresh schedule

Define a data refresh schedule to import data from the data source into the semantic model. [Learn more](#)
